## **Section 1 – Introduction**

This directory provides a list of Central Health Medicare Plan's network providers.

Use this directory to find Central Health Medicare Plan's network providers for your care needs. Network Providers are the doctors and other health care professionals, medical groups, hospitals, and other health care facilities that have an agreement with us to accept our payment and any plan cost sharing as payment in full. We have arranged for these providers to deliver covered services to members in our plan.

You will have to choose one of our network providers listed in this directory to be your **Primary Care Provider (PCP)**. Generally, you must get your health care services from your PCP. Your PCP is a physician who meets state requirements and is trained to give you basic medical care. You will get your routine or basic care from your PCP. Your PCP can also coordinate the rest of the covered services you need. In most cases, you must see your PCP to get a referral before you see any other health care provider.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory; however, some services may require a referral. If you have been going to one network provider, you are not required to continue going to that same provider. In some cases, you may get covered services from out-of-network providers.

Central Health Medicare Plan maintains a standard for appointment wait times for all network providers. Members should receive care from network providers within the following timeframes:

- For routine or preventive care: 30 business days
- When you require medical attention, but it is not an emergency: 7 business days
- For urgent or emergency care: immediately

### **What if you use out-of-network providers to get covered services?**

Out-of-network providers are providers that are not part of Central Health Medicare Plan. If you use out-of-network providers, you may have to pay more. Care or services you get from out-of-network providers will not be covered, except for ambulance services, emergency care, including post-stabilization care, urgently needed care, renal dialysis (kidney), and any services which were ordered covered through an appeals process.

### **What if you receive a bill from an out-of-network provider?**

If an out-of-network provider sends you a bill for covered services that you think should be paid by our plan, DO NOT pay the bill. Please contact Member Services at 1-866-314-2427. TTY users call 711. We will ask you to send the bill to us so that we can process and

determine the amount you owe, if any. If you have already paid for any medical care that we cover, we will reimburse you for our share of the cost.

### **How to get covered services when you have an emergency?**

When you have a “medical emergency,” you believe that your health is in serious danger. A medical emergency can include severe pain, a bad injury, a sudden illness, or a medical condition that is quickly getting much worse.

If you have a medical emergency:

- Get help as quickly as possible. Call 911 for help or go to the nearest emergency room or hospital. Call for an ambulance if you need it. You do not need to get approval or a referral first from your PCP.
- As soon as possible, make sure that our plan has been told about your emergency. We need to follow up on your emergency care. You or someone else should call to tell us about your emergency care, usually within 48 hours. Please refer to the information provided on the back of your membership card for specific directions and appropriate phone numbers to call.

After the emergency is over you are entitled to follow-up care to be sure your condition continues to be stable. Your follow-up care will be covered by our plan. If your emergency care is provided by out-of-network providers, we will try to arrange for network providers to take over your care as soon as your medical condition and the circumstances allow.

### **How to get urgently needed care?**

“Urgently needed care” is a non-emergency situation when:

- You need medical care right away because of an illness, injury, or condition that you did not expect or anticipate, but your health is not in serious danger.
- Because of the situation, it isn’t reasonable for you to obtain medical care from a network provider.

Whenever possible, you must use our network providers when you are in the plan’s service area and you have an urgent need for care. In most situations, if you are in the plan’s service area, we will cover urgently needed care only if you get this care from a network provider. If the circumstances are unusual or extraordinary, and network providers are temporarily unavailable or inaccessible, our plan will cover urgently needed care that you get from an out-of-network provider.

You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network

providers neither Medicare nor Central Health Medicare Plan will be responsible for the costs.

## What is the service area for Central Health Medicare Plan?

The county in our service area is listed below.

Ventura County

## How do you find Central Health Medicare Plan providers that serve your area?

The PCPs in this directory are organized alphabetically by the cities where they reside, and further listed in alphabetical order by the last name within each city. By looking up the city in which you reside, you will be able to find the physicians listed in your area. The specialty care providers (specialists) are organized alphabetically by the physician groups they belong to. If there is a particular plan specialist that you want to use, check first to be sure your PCP makes referrals to that specialist. Your PCP choice may cause you to be restricted to a specific group of specialists. If you have questions about Central Health Medicare Plan or require assistance in selecting a PCP, please call our Member Services Department at 1-866-314-2427, 7 days a week from 8:00am to 8:00pm (PT). TTY users should call 711. You can also visit [www.centralhealthplan.com](http://www.centralhealthplan.com).

## **Sección 1 – Introducción**

Este Directorio provee una lista de los proveedores del plan de Central Health Medicare Plan.

Utilice este directorio para encontrar proveedores de la red de Central Health Medicare Plan para sus necesidades de atención. Los proveedores de la red son los médicos y otros profesionales de atención médica, grupos médicos, hospitales y otros centros de atención médica que tienen un acuerdo con nosotros para aceptar nuestro pago y cualquier costo compartido del plan como pago total. Hemos hecho arreglos para que estos proveedores brinden servicios cubiertos a los miembros de nuestro plan.

Usted tendrá que elegir un proveedor en nuestra red quien se encuentra en la lista de este directorio para que sea su Médico de Asistencia Primaria (**P**rimary **C**are **P**hysician, PCP por sus siglas en Ingles). Generalmente, usted deberá obtener la cobertura del cuidado de su salud de parte de su PCP. Su PCP es un médico que cumple con los requisitos del estado y está entrenado para proporcionarle cuidado médico básico. Usted obtendrá su cuidado básico o rutinario de parte de su PCP. Su PCP también puede coordinar el resto de los servicios cubiertos que necesite. En la mayoría de los casos, usted debe consultar su PCP para obtener una referencia antes de poder consultar a otro proveedor para el cuidado de la salud.

Los proveedores de la red en este directorio están de acuerdo en proveerle su cobertura de cuidado de salud. Usted puede ir a cualquiera de nuestros proveedores de la red en este directorio; sin embargo algunos servicios tal vez requieran una referencia. Si usted ha estado visitando un proveedor de la red, usted no tiene que seguir visitando el mismo doctor. En algunos casos, usted puede recibir servicios cubiertos por un proveedor fuera-de-la-red.

Central Health Medicare Plan mantiene un estándar para los tiempos de espera de citas para todos los proveedores de la red. Los miembros deben recibir atención de los proveedores de la red dentro de los siguientes plazos:

- Para atención de rutina o preventiva: 30 días hábiles
- Cuando requiere atención médica, pero no es una emergencia: 7 días hábiles
- Para atención urgente o de emergencia: inmediatamente

### **¿Que si utilizo proveedores fuera-de-la-red para obtener servicios cubiertos?**

Proveedores fuera-del-la-red son proveedores que no son parte de Central Health Medicare Plan. Si usted consulta proveedores fuera-de-la-red, usted podría pagar más. La atención o servicios que usted obtiene de proveedores fuera-de-la-red no serán cubiertos, excepto por servicios de ambulancia, cuidados de emergencia, incluyendo atención de hospital después que esta estable, atención urgentemente necesaria, diálisis renal (riñón), y cualquier servicio que haya sido ordenado para cobertura por medio de un proceso de apelación.

### **¿Que pasa si recibe un cobro por un proveedor que este fuera-de-la-red?**

Si recibe un cobro por un proveedor fuera-de-la-red de servicios cubiertos que usted piensa que deben ser pagados por nuestro plan, no pague la factura. Favor de llamar al Departamento de Servicio al Miembro al 1-866-314-2427. Usuarios de TTY deben llamar al 711. Le pediremos que nos mande la factura para qué podamos procesar y determinar la cantidad que usted debe, si es que debe algo. Si usted ya pago por algún servicio que nosotros cubrimos del cuidado de salud, le reembolsaremos el costo que nos corresponde.

### **¿Cómo puede recibir servicios cubiertos cuando usted tenga una emergencia?**

Cuando usted tiene una “emergencia médica”, usted cree que su salud está en peligro. Una emergencia médica puede incluir dolor severo, una lesión grave, o enfermedad repentina, o una condición médica que se está empeorando rápidamente.

Si usted tiene una emergencia médica:

- Reciba ayuda lo más pronto posible. Llame al 911 para obtener ayuda o diríjase a la sala de emergencias u hospital más cercano. Llame a una ambulancia si la necesita. Usted *no* necesita recibir autorización previa o una referencia de su médico primero.
- Asegúrese que nuestro plan ha sido informado de su emergencia lo más pronto posible. Necesitamos hacer un seguimiento de su atención de emergencia. Usted, o alguien más debería llamarnos o dejarnos saber de su cuidado de emergencia, usualmente entre las primeras 48 horas. Favor de referirse a la información que es proveída en la parte detrás de su tarjeta de membresía para direcciones específicas y los números de teléfono apropiados.

Después de la emergencia, usted tiene derecho a recibir atención de seguimiento para asegurarse de que su condición siga siendo estable. Su atención de seguimiento estará cubierta por nuestro plan. Si su cuidado de emergencia es previsto por un proveedor fuera-de-la-red, nosotros trataremos de coordinar que los proveedores de la red se encarguen de su cuidado tan pronto como su condición médica y las circunstancias lo permitan.

### **¿Cómo conseguir la atención de urgencia?**

"Atención de urgencia" es una situación que no es de emergencia cuando:

- Usted necesite cuidado médico inmediato por una enfermedad, lesión, o condición que usted no esperaba o anticipaba, pero que su salud no está en peligro grave.
- Por la situación en que se encuentra, no es razonable obtener cuidado médico por un proveedor dentro de la red.

Cuando es posible, usted debe usar nuestros proveedores dentro de la red cuando este dentro del área de servicio del plan y tenga una necesidad de cuidado de salud urgente. En la

mayoría de los casos, si usted está dentro de nuestra área de servicio del plan, le cubriremos el cuidado de salud urgente solo si recibe el servicio por un proveedor dentro de la red. Si las circunstancias son inusuales o extraordinarias, y los proveedores del plan no están disponibles temporalmente o son inaccesibles, nuestro plan cubrirá el cuidado de urgencia necesaria que usted reciba por un proveedor fuera-del-la-red.

Usted debe usar proveedores del plan excepto en situaciones del cuidado de emergencia o urgencia o para diálisis renal fuera del área de servicio u otros servicios. Si usted obtiene cuidado de rutina de los proveedores fuera-de-la-red, ni Medicare ni Central Health Medicare Plan serán responsables por los costos.

### **¿Cuál es el área de servicio de Central Health Medicare Plan?**

El condado y parte de los condados/codigos postales cubiertos en nuestra área de servicio están enumerados abajo.

Condado de Ventura

### **¿Cómo encuentra proveedores del Central Health Medicare Plan que atiendan a su área?**

Los doctores en este directorio están en orden alfabética por las ciudades en cuales residen, y después están en orden alfabética por apellido entre cada ciudad. Si busca por ciudad en la cual reside, usted podrá encontrar los doctores que están en su área. Los doctores de cuidado especial (especialistas) están organizados en orden alfabética por los grupos de médicos a cuales pertenecen. Si hay algún especialista del plan que gusta ver, primero necesita revisar si su médico refiere pacientes a ese especialista. Tal vez, su elección de PCP puede ocasionar que esté restringido a un grupo específico de especialistas. Si usted tiene preguntas acerca de Central Health Medicare Plan o si requiere asistencia en seleccionando un doctor, favor de llamar al Departamento de Servicio al Miembro al 1-866- 314-2427, los 7 días a la semana, de 8:00 A.M. – 8:00 P.M.(Tiempo Pacifico). Usuarios de TTY deben llamar al 711. O, visite nuestra página en el internet [www.centralhealthplan.com](http://www.centralhealthplan.com).
